RE: Cookies & Snacks for Van Es Campers

Our cook for the summer camps greatly appreciates the cookies and squares that our churches supply for the summer camping program, in fact they are a staple of the summer camps each week for evening snack times and for campers and staff who have “cookie cravings”!

I apologize for the delay in getting this letter out to you all. I am writing to ask your congregation to provide snacks as listed on the attached schedule. May I suggest that you make up a sign up sheet to encourage your church to participate. **PLEASE NOTE:** No peanut butter or any type of nuts are to be in the snacks. Either cookies, puffed wheat or rice krispie squares are preferred.

Please see that the “snacks” your church is supplying arrive at Camp Van Es on the first day (or prior to) the camp date that you have been assigned and mark them for which camp they are intended.

Many thanks on behalf of the Camp Van Es Summer Camps.

If you have any questions please call me at 780-922-4187 (home) or mornings are 780-796-3775.

See you out at camp this summer!
